

Eugene R. Guskowski, AIA

CEO AND SENIOR PRINCIPAL IN CHARGE OF DESIGN

Gene is recognized nationally as a design leader in the senior living industry, where he has served as planner, design architect and project architect for a wide variety of senior living facilities across the country. He has specialized in design since 1973 and directs all of the firm's design activities. Gene is particularly known for his ability to provide the vision needed to implement forward-thinking concepts. He is also admired for his communication skills and gift for building the consensus needed to move projects forward with a positive sense of community. His career achievements have been recognized by his alma mater, University of Wisconsin—Milwaukee, with a 2018 UWM Distinguished Alumni Achievement Award.
