Honorable Jose G. Perez  
Alderman, 12th Aldermanic District  
Room 205, City Hall

SUBJECT: 12TH ALD. DIST. - FILE #181337  
INSTALL ALL-WAY STOP ON WEST VIRGINIA STREET  
AND SOUTH ALEXANDER STREET/SOUTH 5TH STREET

Dear Alderman Perez:

This is in response to your request to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that due to the geometric configuration of the intersection the above-captioned control is warranted. We therefore, in the interest of public safety, recommend the installation of the all-way stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.  
City Engineer

Honorable Michael J. Murphy  
Alderman, 10th Aldermanic District  
Room 205, City Hall

SUBJECT: 10TH ALD. DIST. - FILE #181337  
INSTALL STOP SIGNS ON SOUTH 65TH STREET  
AT WEST DIXON STREET

Dear Alderman Murphy:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and northwest corners of the intersection in the form of hills and houses that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.  
City Engineer

SUBJECT: 10TH ALD. DIST. - FILE #181337  
INSTALL STOP SIGNS ON WEST DIXON STREET  
AT SOUTH 66TH STREET

Dear Alderman Murphy:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast corner of the intersection in the form of a hill and a house and also on the northwest corner of the intersection in the form of a hedge that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.
