RE: Mileage Reimbursement Footnote

I would respectfully request introduction of the necessary legislation to permit Mr. Terence Acquah, Economic Development Specialist, to receive mileage reimbursement for the use of his private vehicle for City business under Section 305.183 of the Code of Ordinances. A review of the Positions Ordinance found that when this new position was added to the 2017 budget, it was not updated to indicate mileage reimbursement is provided. This position requires extensive traveling to Department of City Development meetings and events throughout the City, similar to the other three Economic Development Specialist positions in Commercial Corridor Development section.

Under "Department of City Development, General Management and Policy Development Decision Unit, Commercial Corridor Development", delete the title "Economic Development Specialist" and add the title "Economic Development Specialist (X)" with the footnote (X) to read as follows:

(X) Private automobile allowance may be paid pursuant to Section 350-183 of the Milwaukee Code.
