Hello – For the Community and Economic Development committee meeting, I need to get total number of meetings held, number attended, number of excused absences and number of unexcused absences for the above individual.

Once I get that information, I will contact him about attending the meeting if his attendance record isn't perfect. If it is perfect, no attendance at CED is required.

A year's worth of meetings is adequate as long as the board has met a minimum of six times during that year.
