The attached estimate of damages has been prepared for your property. The estimate has used common prices for labor and material from your area.

Enclosed is our draft for the actual cash value of your damaged property. For Dwelling and Structure damages, we may have included your mortgage company on the draft as required by your policy.

Summary For Dwelling

Replacement Cost Value	Less Recoverable Depreciation	Less Non Recoverable Depreciation	Actual Cash Value (ACV)
\$31,470.28 Less Deductible	(\$5,207.14)		\$26,263.14
Less Deductible			(\$5,000.00)
Total ACV Settlement			\$21,263.14
	Summary Fo	or Code Upgrade	
Replacement Cost Value	Less Recoverable Depreciation	Less Non Recoverable Depreciation	Actual Cash Value (ACV)
\$971.81	(\$64.77)		\$907.04
Total ACV Settlement			\$907.04
Total Outstanding ACV Se	ttlement (All Coverages)		\$22,170.18

See the enclosed estimate for details of your settlement which may include other itemized details not shown above.

Depending on the type of policy listed below, if an amount is shown in the Recoverable Depreciation column, you may make a claim under the Replacement Cost provisions of the policy by:

Commercial Policies:

- 1. Replacing or Repairing the damaged items as soon as reasonably possible.
- 2. You must submit a final bill or purchase receipt showing the item(s) has been repaired or replaced.

Farm/Ranch Policies:

1. You must have the item(s) replaced or repaired within one year from your date of loss. *Exception: For Washington policies ONLY - Please refer to your policy language as well as the section of this estimate titled Claiming

Recoverable Depreciation following the Estimate Recap or Coverage Limit Details sections.

2. You must submit a final repair bill or purchase receipt showing the item(s) has been repaired or replaced.

Some items may not be eligible for Replacement Cost coverage. Dependent on your type of policy, other conditions may also apply. Please refer to your policy under either Valuation of Covered Property or Optional Coverages; Replacement Cost. For Farm/Ranch policies, please refer to the specific Dwelling Form and/or Farm Outbuilding Replacement Cost Coverage Endorsement, if applicable.

The attached estimate is what we expect to be the reasonable cost to repair or replace the property. This estimate may not include permit fees. If total charges for repair/replacement plus permits exceed the amount shown here for that repair/replacement, prior to any deductible, then additional amounts may be payable. If the actual cost is more or less, the final payment will be adjusted accordingly. If you wish, you may repair or replace with higher quality items, however, you will be responsible for any increase in cost.

Please present this estimate to a contractor or repair facility of your choice BEFORE you authorize the start of repairs. We will not accept any supplements for damage unless they have had prior approval by a representative of American Family Insurance. If you, your contractor, or repair facility have any questions, please contact us at (262) 593-2405.

American Family Insurance appreciates your business.

Thank You, Dave Moyer

IMPORTANT - Please read the definitions below

What is replacement cost (RCV)?

Replacement cost is the cost to repair the damaged item with an item of like kind and quality, without deduction for depreciation.

What is depreciation?

Depreciation is the amount deducted from the replacement cost based upon the age and condition of the item being replaced.

What is actual cash value (ACV)?

Actual cash value is based on the cost to repair or replace the damaged item with an item of like kind and quality, less depreciation.

The Actual Cash Value (ACV) is based on an item's: <u>Age divided by normal Useful life</u>, unless otherwise noted. Deviation from <u>Age divided by normal Useful life</u> is common due to inspection evaluation, condition of the item, obsolescence, product research, expert opinions, utility/functional value, market value and in some cases all or some of the above. For further information on ACV and the depreciation applied, please contact your claim representative.

If your building is older than 1978 it may contain lead painted materials. The EPA may require contractors to follow special procedures to contain and/or remediate lead from the damaged area. If a lead test is taken and your building was found to contain lead, American Family Insurance requires you to notify us before beginning any repairs. Please be aware that the EPA regulations consider lead to be a pollutant.

Physical mail you submit: American Family Insurance appreciates your assistance in the handling of your claim. Any documentation you submit will be scanned and electronically retained in your claim file. Please include the claim number on the items submitted. The original documentation will be destroyed after 30 days. If you would like your documents returned, please indicate this on the documents and provide the address where you want the documents sent.

Email: My goal is to provide outstanding customer service. If you will be using email to communicate with me regarding your claim, please be sure to include your name and claim number on the subject line. Please forward any email correspondence regarding your claim to the email address listed below.

Our goal at American Family Mutual Insurance is to provide exceptional customer service. You may be receiving a survey requesting your input on the service you received for your most recent claim. If you cannot answer exceptional to each of the survey questions, please let us know what we can do to better serve our customers in the future. Thank you for being our customer as American Family Insurance appreciates your business.
