Thank you very much for your email.

Does the Mar. 4 agenda include only removing the 4 diseased horse chestnut trees? My concern is what I thought was the plan to remove all the trees per the 1-29 [Journal-Sentinel](#) article:

A plan to remove a grove of trees at downtown Milwaukee's Marcus Center for the Performing Arts could be blocked by a new proposal to designate the property as historic.

The proposal will be considered by the city's Historic Preservation Commission.

I have no objection to removing 4 diseased trees.
