

I do not have anything for any of these addresses nor any of the other ones that you have sent in the past. In the future I will send you an e-mail back letting you know if the lead program has any outstanding items for each address. That way you will have something to add to your file. Thanks and keep up the enthusiasm for these. Such a refreshing perspective (he he he..)

Subject: These are NOT on the upcoming JL agenda --

but I figured I'd pass them along as I can access them in the system. They'll be on the Oct. 5 JL agenda.
