Dear Ms. Schultz

We would appreciate your consideration and approval of a two-year extension of our Designated Housing Plan. Currently, we have 821 units designated for elderly or 30 percent of our total public housing inventory of 2755 and 965 units designated for mixed families for a total of 35 percent of our total public housing inventory of 2755. We are not requesting any change to our current plan.

We hereby certify that there are no unanticipated adverse impacts on the housing resources for the groups not being served due to the designation. We are also enclosing the following information in the attached tables:

Affected projects by name and number  
Number of units and percentage of the project designated  
Total number of units in the affected project  
Population served in the designated units

In accordance with HUD Notice PIH 2005-02, we have also notified the Community Development Grants Administration office, responsible for administering the City of Milwaukee Consolidated Plan, of our request for an extension and a request that they submit any comments or questions regarding our Plan to your office by May 17, 2019.
