Dear Mr. Perez,

Enclosed, please find the WWBIC Make Your Money Talk/Match Savings Account quarterly program report for the period January 1, 2019 through March 31, 2019.

2019 has been a successful year for assets purchased by HACM residents for a total of 40. Number one asset was debt repayment and then car purchases. The Make Your Money Talk Boot Camp has shown great success as a one-day session works with residents work schedule.

Since the program's inception in 2004, HACM program participants have accomplished the following:

- **152** HACM residents purchased their first home.
- **70** HACM residents created or developed a small business.
- **85** HACM residents invested in their post-secondary education.
- **72** HACM residents paid down or off debt
- **30** HACM residents purchased a vehicle or related vehicle expenses

Thank you again for your continued support of our mission. We look forward to a successful 2019!
