Legislation at Steering & Rules TODAY: Itemized reports for City services and resources provided in the 53206 ZIP code

A resolution directing City departments to create reports concerning services and resources provided in the 53206 ZIP code area will be discussed at the Common Council's Steering and Rules Committee meeting **TODAY** - **Thursday, June 27** – at **1:30 p.m.**

File #181767, sponsored by **Alderman Milele A. Coggs**, and **co-sponsored by Alderman Khalif J. Rainey, Alderman Russell W. Stamper, II** and **Common Council President Ashanti Hamilton**, calls for each City department to generate a report itemizing which City services and resources are provided by that department in the 53206 ZIP code. Reports are due to the Council 30 days following adoption of this legislation.

This legislation is offered to help Council members know and understand the extent of City services and resources provided to 53206 residents and businesses, an area of Milwaukee that experiences higher rates of poverty, incarceration, unemployment and lack of access to health care, education and transportation. City resources can be factors in lowering barriers to economic, health and social equity for Milwaukee residents.

Today's meeting will be televised live on the City Channel (Channel 25 on Spectrum Cable and on AT&T U-Verse Channel 99) in the City of Milwaukee. It can also be viewed via streaming video on the City website at milwaukee.gov/Channel25.
