I am writing to show my support of the proposal for a single family home at 2381 N. Terrace Ave. I'm a member and former president of the Historic Water Tower Neighborhood Association, and I have lived in the historic district since 2003. After reviewing the plans, I feel the proposal is both appropriate and suitable. It provides a bridge from the historic homes to the hospital and parking structure immediately behind the property. I strongly urge you and the commission to approve this design. Unfortunately I'm traveling next week and unable to attend and show my support in person. If you have any questions, please feel free to contact me at 262-424-7391.

Sincerely,

Andy Nunemaker
