Subject: Support for 2381 N Terrace

To Whom It May Concern,

I'm writing in support of the proposed home on 2381 N Terrace. I'm a resident of the Historic Water Tower Neighborhood, and the construction of this house (and potentially 2 others) will bring additional families to the neighborhood as well as help block the imposing parking structure along Terrace Avenue. These lots have sat vacant for a long time and this is a wonderful opportunity to welcome new neighbors to our neighborhood.
