To Whom It May Concern,

I'm writing in support of the proposed home on 2381 N Terrace. I'm a resident of the Historic Water Tower Neighborhood, and the construction of this house (and potentially 2 others) will bring additional families to the neighborhood as well as help block the imposing parking structure along Terrace Avenue. My family bought the property to the north of the parking structure and this is just the kind of development we would want as neighbors. High quality, single family homes owner occupied by families who are part of the fabric of the community.

My wife Alison and I strongly support the project proposed.

Sincerely,

Josh  
2430 N Lake Dr
