Linda

BID #27 during 2018 had 10 Board Meetings and an annual meeting. So a total of 11 meeting. According to the BID Chair Paul Rubitsky, Carlton Butts has attended all the meetings. In fact, the meetings are held at his place of business.

I need to know, for about a year's worth of minutes if you meet monthly or semi-monthly, the total number of meetings held, how many he attended, how many excused absences and how many unexcused absences. If you don't meet monthly or semi-monthly, I need a minimum of 4 meetings. The Committee is trying to get a sense of his attendance (i.e. commitment).

If he has perfect attendance, he will not need to attend the Community and Economic Development Committee meeting. If he does NOT have perfect attendance, alas, he DOES need to attend.

Please explain to me what exactly you need. I am a new BID manager and this is the first time I heard this.
