Dear Antonio,

I am so thankful for your generosity!

HACM's \$100 contribution to ACTS Housing made on June 26, 2019 will help more families transition from renters to owners. Your support will not only help families, but also help transform Milwaukee.

Since our founding, more than 2,500 families have become ACTS homeowners and have completed more than 860 home rehab projects. Families like Neva and Robert Gaines or Maria Perez and Horacio Huerta can achieve their life long goal of becoming homeowners thanks in part to donors like you. They are the epitome of resolute homeowners that our communities need.

Your contribution is an investment in Milwaukee's hardworking families who are determined to create stability and community.

Thank you once again for your gift. We at ACTS know we cannot do this work without you.

Sincerely,

Michael Gosman
Executive Director
