Milwaukee, WI 53202

Dear President Hamilton,

It is my great pleasure to write a letter of recommendation for Griselda Aldrete for the position of Executive Director of the Fire and Police Commission of the City of Milwaukee. Ms. Aldrete has truly been a servant leader in our community over the years in the area of community organizing, her work with law officials and her work in the community at large.

Ms. Aldrete is compassionate, strategic and of great integrity. She has built strong connections within the legal community, public officials, the business community and the wider community. She has a true passion for our city and for a stronger and better future for the citizens of Milwaukee. She has been a member of the Greater Milwaukee Committee and active in our work.

I was very pleased to learn of Ms. Aldrete's appointment and hope that the Common Council will move with diligence and expediency in confirming her appointment.

Sincerely,

A handwritten signature in black ink that reads "Julia Taylor". The signature is fluid and cursive, with the first letters of "Julia" and "Taylor" being capitalized and prominent.

Julia Taylor, President  
Greater Milwaukee Committee
