Subject: Fire and Police Commissioner

Dear Members of the Common Council:

I would like this letter to serve as my endorsement for the nomination and appointment of Griselda Aldrete as the next Executive Director of the Fire and Police Commission.

I have worked with Ms. Aldrete in a variety of capacities and find her to be a highly ethical, hardworking professional that would provide the appropriate level of leadership in the role. As I have interacted with Griselda over a number of years, I have had the pleasure of witnessing her commitment to the entire community. I find her interest and passions to be inclusive and passionate. She has a broad network and understands the impact of the need to establish strong relationships throughout the community.

Griselda has a strategic approach to her work and outlook. She engages with her network in ways that lift critical issues to the forefront. I have had numerous occasions to work on initiatives with Griselda and she has always been reliable, trustworthy and open. I admire Griselda's commitment to her family and believe that same sense of responsibility extends to the broader community for her.

I am hopeful that the Council will appoint Griselda Aldrete to the position of Executive Director, Fire and Police Commission. I believe she will serve our community fairly and bring a sense of principled leadership to the Fire and Police Commission. My father, Wm. I Gore served as the Chairman of the Fire and Police Commission for approximately 14 years. I frequently hear people comment that the one thing they remember most about him is that he was fair. My

sense is that Griselda Aldrete will function fairly and bring needed servant leadership to the role.

Sincerely,

Cecelia Gore
