**Travaux Board of Directors:**

We recommend making an award of contract to Hurt Electric Inc.(Menomonee Falls, WI) for electrical (HT-8.1) remodeling at Holton Terrace in the amount \$447,800.00. Hurt Electric Inc. has performed similar work satisfactorily on previous projects. The bid amount is less than the cost estimate and a review of the bid indicates they have included all items in the scope of work. Hurt Electric Inc. has the capacity to do this work within the proposed construction schedule.
