

October 21, 2009

To the Honorable, the Common Council

Dear Council Members:

American Transmission Company LLC (ATC) desires to obtain an easement over the City-owned parcel at 2141 West Van Norman Avenue. This easement will allow for maximum wire blowout (movement of wires) during extreme wind conditions for electric transmission lines owned by ATC. There will be no structures installed on this parcel. Attached is a resolution authorizing and directing the proper City Officers to execute an Electric Transmission Line Easement with American Transmission Company LLC.

We recommend adoption of the attached resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes, P.E.  
Commissioner of Public Works
