C. I. file No:  
09-S-402

Sirs,

I received a letter today denying my claim for the city to cover expenses for the repair of my car that was damaged by "your tree" growing on "your property." I would like you to reconsider your decision. My car was not insured for this type of damage, I do ~~do~~ not see how this is not the responsibility of the city. I am disabled and not able to come in for a hearing. But would so much appreciate this be reconsidered.

## ADDITIONAL INFORMATION

Before you can file a lawsuit against the City of Milwaukee for reimbursement, State law requires that you first follow the claim procedures established by the City Clerk.

Filing a claim against the City does not automatically guarantee reimbursement from the City. However, the City examines each claim on an individual basis in determining if reimbursement is legally required.

In order to obtain reimbursement for a claim against the City, you must prove that the City or its employees acted unlawfully or negligently.

Only the City Attorney or the Common Council and the Mayor can authorize payment of a claim against the City. Any other representations made by City employees are not legally binding on the City.
