Project/Program Title: 2018 FY AFG Grant – Automatic Chest Compression (CPR) Devices and TreadmillsGrantor Agency: Department of Homeland Security – FEMAGrant Application Date: October 31, 2018Anticipated Award Date: August 27, 2019

1. Description of Grant Project/Program (Include Target Locations and Populations):

The purpose of the AFG program is to award grants to fire departments to enhance their ability to protect the health and safety of the public as well as of first responders. Acquiring Automatic Chest Compression (CPR) Devices would increase the survivability profile of the patients. The purchase of the treadmills will improve the long-term health of our firefighters and reduce injuries complementing our Health-Related Fitness Program.

2. Relationship to City-Wide Strategic Goals and Departmental Objectives:

Employee Health, Safety & Wellness

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

There is not sufficient Capital Improvement or Operating funds to budget for this project. Due to budget shortfalls it would be several years before this project could be funded in the Fire Department Budget.

4. Results Measurement/Progress Report (Applies only to Programs):

Improved patient survivability and firefighters long-term health as well as reduce firefighters injuries.

5. Grant Period, Timetable and Program Phase-Out Plan:

September 3, 2019 – September 2, 2020
