Citizens need to be asked about this.

Citizens first please.

Voces de la Frontera is recommending that language in the policy states that police will not assist in ICE raids, will not use resources for immigration enforcement and not share information with ICE.

The group also demands that police not comply with warrantless requests from ICE to detain someone or transfer someone to custody.

Do they run the city? As a tax payer I do not support illegal criminals being allowed to stay. If you are here illegally and have a criminal record, you need to go. ALL LAW ENFORCEMENT, LOCALLY OR FEDERALLY SHOULD BE WORKING TOGETHER.

I want to know if Milwaukee is a sanctuary city. I have called the mayor and have not gotten an answer. Start representing legal tax payers FIRST.

Thank you in advance for your timely response. James White
