

In Detroit's oldest neighborhood, Corktown, Navin Park held the Detroit Tiger Stadium on the iconic corner of Michigan Ave and Trumbull. Today, using modular construction, Champion Skyline developed "The Corner" and is now home to over 100 apartments and commercial space. Residents of the historic site see the views of downtown to the East and the brand-new Corner Ball Park to the West.

Apartments: 111      Modules: 96
