

# YEAR 2020 OPERATING PLAN

Harambee Home Completed in 2018

**HARAMBEE  
NEIGHBORHOOD IMPROVEMENT DISTRICT #7**

## I. INTRODUCTION

### A. Background

In 2006, the State of Wisconsin enacted Wis. Stat. §66.1110, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood improvements and other activities as approved by the NID Board. The ACT was drafted similar to the business improvement district statute.

In 2016 the City of Milwaukee received a petition from property owners which requested creation of a Neighborhood Improvement District for the purpose of revitalizing and improving the Harambee neighborhood area on Milwaukee's near east side. Harambee Neighborhood Improvement District ("HB NID") was approved by the Common Council in December of 2016 by Resolution #160894. The NID law requires that every district have an annual Operating Plan to renew the Neighborhood Improvement District. This document is the proposed 2018 Operating Plan for Harambee Neighborhood Improvement District. The NID proponents prepared this Plan with technical assistance from the City of Milwaukee Department of City Development.

### B. Physical Setting

The boundary for the Harambee Neighborhood Improvement District ("HB NID") encompasses the areas designated Capital Drive on the North, Center Street on the South, I-94 on the West and Holton Street on the East, excluding properties including in the Historic Martin Luther King Drive Business Improvement District and the Riverworks Business Improvement District, see Appendix B, Map.

The area that is now the HB NID was originally settled by German Immigrants moving north from downtown. It was used as mostly farmland and vacation homes until being urbanized later. Since the 1930s, Harambee has been a hub for African American culture and heritage. Originally settled by German immigrants in the 1800s, the African American community grew over the years and reached its height by the 1970s. Harambee was particularly attractive to working class families because of the modest and tidy single-family homes and proximity to downtown.

In the mid-1970s, residents adopted the name Harambee, the Swahili word for pulling together. Harambee's organizing culture is rooted in the civil rights movement. During the 1970s and 1980s, the neighborhood became organized with over one hundred active block clubs. Residents fought against school and housing segregation, and other forms of institutional racism and divestment facing their community.

Harambee has become a model for urban renewal as residents and community leaders' work together to reduce crime, develop state-of-the-art housing, bring social services and educational programs to the neighborhood, support a flourishing arts community, and provide healthy living options such as Growing Power's farmers' market operating in the heart of the neighborhood. Now, the HB NID is home to several thriving businesses, organizations and families.

The area is anchored by the Clinton & Bernice Rose Park and the new Beerline Trail Extension. Victory Garden Initiative, Groundwork MKE, and Teens Grow Greens provide urban agriculture programming in the area, together with other neighborhood organizations. Habitat for Humanity has constructed many homes in the area since 2007. The area is also home to the Martin Luther King Library, Hope Middle and High Schools, MLK Elementary School, Math & Science Academy, many more amenities.

*C. Principal Office & Registered Agent*

The Principal Office and Registered Office of the HB NID shall be Riverworks Development Corporation. 526 E Concordia Ave, Milwaukee, WI 53212. The Registered Agent of the HB NID shall be Cordella Jones.

## **II. DISTRICT BOUNDARIES**

Boundaries of the proposed district are shown on the map in Appendix B of this plan. A listing of the properties included in the district is provided in Appendix C. The description in Section I. B) is a general description of the boundary, the actual boundary is depicted on Appendix B and the actual properties included are on Appendix C. In the event of a discrepancy, Appendix C shall control. The HB NID may update Appendix C during each annual Operating Plan. The Boundaries are herein referred to as "HB NID Area."

## **III. PROPOSED OPERATING PLAN**

*A. Plan Objectives:*

The objective of the HB NID is to (a) provide assistance to homeowners, (b) create jobs in the area in order to eliminate blight, stabilize the housing stock, and otherwise enhance the HB NID.

*B. Proposed Activities – 2020:*

Principle activities to be engaged in by the district during 2020 operation will include:

*1. Assistance to Homeowners*

- continue operation of a grant fund ("Grant Fund") to provide assistance to homeowners of single family homes and duplexes in the HB NID Area to make modest grants to home owners in the area to make the following improvements to their properties: energy efficiency improvements, repairs to increase water efficiency, repairs to the structural condition of the property (including roof repairs) and repairs to increase the curb appeal of property ("Improvements"). The criteria of the grants will continue to be modified by the NID Board to ensure accountability and utilization of

the Grant Fund. The Board of Directors of the HB NID may at any time amend the amount of each grant, the number of grants, and any qualifying criteria.

**2. Job Development**

- Improvements made through the grant fund must be made by pre-qualified contractors. In order to qualify, a contractor must be located in the City of Milwaukee and agree that 50% of the contractor's workforce be from the HB NID Area for all improvements paid for from the Fund. The HB NID may accept a contractor's Section 3 status in lieu of the 50% neighborhood workforce requirement. The Board of Directors of the HB NID may at any time amend this requirement to ensure accountability and utilization of the Grant Fund.
- Provide support to organizations doing Commercial Revitalization within the HB NID Area

*C. Proposed Expenditures - 2020:*

Proposed Budget attached as Appendix D. The HB NID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

*D. Financing Method:*

It is proposed to raise approximately \$188,880 through HB NID assessments (see Appendix C). Funds will also be pursued from foundations and other fundraising events. The HB NID may seek private financing for programming secured by this year's or future operating years of the HB NID.

*E. Organization of NID Board:*

Upon creation of the HB NID, the District shall hold annual meetings to elect directors to the District Board (the "Board") consistent with terms of this subsection and the bylaws of the HB NID. The Board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry-out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of HB NID assessments. State law requires that the board be composed of at least five directors and that all of the board directors be owners or occupants of property within the district. State law requires the local legislative body must set the time and place for a meeting at which directors of the board will be elected, and shall publish a class 2 notice under ch. 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election. The HB NID Board shall be structured in accordance with the Bylaws, which is consistent with the following.

1. Board Size. The Board shall have at least 5 members, the exact number of which is to be determined by the Common Council of the City of Milwaukee.
2. Composition. All board members shall be owners or occupants of property within the district. The number of board members who represent commercial and residential properties shall be set as close as possible to the proportion of each type of property to the total assessed value of all property in the District. The Board shall elect its Chairperson from among its members.
3. Term. All directors elected to the Board shall serve for a period of one year. Directors may be re-elected.
4. Compensation. No compensation will be given to Board members for attendance at board meetings.
5. Meetings. All meetings of the Board's affairs shall be kept pursuant to public records requirements.
6. Staffing and Office. The Board may employ staff and/or contract for staffing services pursuant to this Operating Plan and subsequent modifications thereof. The Board may also maintain an office for the District, which shall be located within the District.
7. Meetings. The Board shall meet regularly, at least once every 3 months. The Board shall adopt rules of order (by-laws) to govern the conduct of its meetings.
8. Method of Electing Directors to District Board. An annual meeting at which directors of the Board will be elected shall be held on the second Saturday of March of each year in the District's existence. Prior to the meeting, the City shall publish a Class 2 notice that contains the time and place of the annual meeting. The notice shall specify that all individuals who either own or occupy real property within the District are eligible to serve on the Board and vote at the election.
8. Changes. Any change in the Board size, composition or election methodology must be approved by a 2/3 majority of the entire Board, subject to approval by the Common Council.

*F. Relationship to other Organizations:*

The HB NID may contract with outside organizations to provide services to the NID, in accordance with this Plan. Contracted organizations will be considered separate entities from HB NID, notwithstanding the fact that members, officers and directors of each may be shared. Contracted organizations shall not be subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the HB NID Board.

*G. Ownership of Property:*

The NID is not authorized to hold or own property.

#### **IV. METHOD OF ASSESSMENT**

**A. Assessment Rate and Method**

The principle behind the assessment methodology is that each property should contribute to the HB NID in proportion to the benefit derived from the HB NID. After consideration of other assessment methods, it was determined that for residential properties, the number of residential units was the characteristic most directly related to the potential benefit provided by the HB NID. For commercial properties it was determined that a flat fixed fee was most appropriate.

Therefore, a fixed assessment of \$50 per residential unit (\$100 for a duplex) for residential properties was selected as the basic assessment methodology for residential properties in the HB NID ("Residential Methodology"). In the event a property contains both residential units and a commercial use, the Residential Methodology shall apply.

Maintaining an equitable relationship between the HB NID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties, a maximum assessment of \$500 per parcel will be applied.

As of January 1, 2019, the property in the proposed district had a total assessed value of approximately \$111,264,400 and approximately 2,272 parcels. Appendix C shows the projected HB NID assessment for each property included in the district.

*B. Excluded and Exempt Property*

1. Property within the district that is exempt from general real estate taxes shall not be assessed.

#### **IV. PLAN AND ORDERLY DEVELOPMENT OF THE CITY**

**A. City Plans:**

- a. In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File 6 Number 881978, adopted January 24, 1989.
- b. The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population, or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

- c. The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Harambee neighborhood and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

*B. City Role in District Operation*

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the creation of the Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1110 (4)(c) of the NID law.
5. Provide the board, through the City Assessor's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

## **VI. PLAN APPROVAL PROCESS**

**A. Public Review Process:**

The Wisconsin Neighborhood Improvement District law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. In the initial year, the City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.

3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Community and Economic Development Committee of the Common Council will review the proposed NID Plan at a public meeting and will make a recommendation to the full Common Council.
5. The Common Council will act on the proposed NID Plan.
6. If adopted by the Common Council, the proposed NID Plan is sent to the Mayor for his approval.
7. If approved by the Mayor, the NID is created and the district board will be elected pursuant to section 3.E above.

*B. Petition for Termination of the NID*

The City shall terminate the neighborhood improvement district if one of the following occurs:

1. The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.
2. The owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.
3. The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan fail to file a petition with the planning commission to continue the neighborhood improvement district within one year of the date on which the membership of the board changes from a majority which represents commercial properties to a majority that represents residential properties, or vice versa.

## VII. FUTURE YEAR OPERATING PLANS

*A. Phased Development*

It is anticipated that the HB NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan. 8 Section

66.1110 (6)(b) of the NID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year Two activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year Two conditions.

Greater detail about subsequent year's activities will be provided in the required annual Plan updates.

In later years, the HB NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the approval of the City of Milwaukee.

*B. Amendment, Severability and Expansion*

This HB NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin ("NID Statute"). Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the HB NID and this HB NID Operating Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a NID so as to exclude or include as assessable properties a certain class or classes of properties, then this NID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act.

## **VII. Contraction with HB NID**

Any contracting with the HB NID shall be exempt from the requirements of Sec 62.15, Wis. Stats. because such contracts shall not be for the construction of improvements or provision of materials. If the HB NID does contract for the construction of improvements or provisions of material, it shall follow the requirements of such statutes to the extent applicable. Further, the annual accounting required under Sec 66.608 (3) (c) Wis. Stats., shall be deemed to fulfill the requirements of Sec 62.15 (14) Wis.

Stats. The HB NID Board of Directors and the City of Milwaukee shall comply with the provisions of Sec. 66.60 before the City inserts assessments for this NID plan onto the tax bills for the parcels assessed thereunder, only to the extent required by law, to create a lien on the parcels assessed. The HB NID may provide grant support to organizations that include the cost of staff; however, the HB NID shall not have employees directly and shall contract with a responsible third party for any administration of grant funds.

Riverworks Partnership

2018 HNID#7 Financial Report

## MESSAGE FROM THE BOARD CHAIR

On behalf of the Board of Directors for Harambee Neighborhood Improvement District #7, we are honored to have been elected to serve this great neighborhood. Our NID's purpose continues to be allocating special assessments funds as yearly home repair grants to neighbors for projects that invest these dollars back into our community.

Since the NID is a resident-lead initiative, exercising your voice is what will determine the future of the NID's impact and its ability to improve the quality of our neighborhood. Your ideas on how you'd like to see these improvements developed are always welcomed and we hope that you will join us during our open board meetings. As the Board of Directors, along with our administrative staff at Riverworks Development Corporation, we will continue to seek and develop long term relationships that leverage resources to revitalizing homeownership in Harambee. It will be this type of community collaboration and forward-thinking that will determine how we support families in maintaining the value of their homes against economic challenges.

This is an exciting time in Harambee, which has a rich history of being a great place to live and do business. Please feel free to contact myself or Riverworks staff for more information about how your organization or household can get involved. We continue to count on our residents and community of stakeholders in securing additional resources in order to successfully support our current and future homeowners.

Sincerely,

Cordella Jones,  
Harambee Neighborhood Improvement District #7

## MESSAGE FROM RIVERWORKS EXECUTIVE DIRECTOR

The Harambee NID partnership with Riverworks Development Corporation has been enormous and successful. Together, we have increased community prosperity, built strong public and private partnerships, increased property values, brought positive developments to the area, and sought better ways to link residents to contractors to fill their job openings.

We all believe in this area. The Harambee Neighborhood has an extremely bright and prosperous future ahead; so many creative entrepreneurs, new homeowners and businesses have relocated into the neighborhood, bringing new life and energy. What the NID is accomplishing here on Milwaukee's Northeast Side has definitely had a positive impact on this community. I look forward to continuing working with the Harambee NID, the Residents and the Businesses as we continue to strengthen the housing stock and build a true sense of community.

Thank you for your support and involvement,

Darryl Johnson

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors  
Harambee Improvement District  
Milwaukee, Wisconsin

We have reviewed the accompanying financial statements of Harambee Improvement District (a nonprofit organization), which comprise the statement of financial position as of December 31, 2018, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

**Accountant's Responsibility**

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

**Accountant's Conclusion**

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

**NOTE A - Summary of Significant Accounting Policies**

**Organization**

Harambee Neighborhood Improvement District (the Organization) is organized for the purpose of providing owner-occupants and neighborhood-based homeowners of the Harambee NID funds in order to conduct essential repairs to their homes and provide local jobs with the goal of stabilizing property values and home ownership in the defined area, with the goal of full occupancy.

The Organization is exempt from tax as an affiliate of a governmental unit under Section 501(a) of the Internal Revenue Code.

**Basis of Presentation**

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

**Accounting Method**

The financial statements of the Organization have been prepared on the accrual basis of accounting.

**Cash and Cash Equivalents**

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less when purchased.

**Functional Expenses**

The Organization allocates costs directly to program, management, or fundraising when appropriate. Certain expenses are attributable to one or more programs or supporting functions of the organization. Those expenses include salaries and employee benefits which are allocated based on estimates of time and effort.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2018**  
**(See Accountant's Review Report)**

**NOTE B - Accounting Change**

For year ended December 31, 2018, the Organization's financial statements adopted the *Accounting Standards Update 2016-14, Not-for-Profit Entities (Topic 958), Presentation of Financial Statements of Not-for-Profit Entities*, effective for years beginning after December 15, 2017. This update is required and makes significant changes in reporting of net asset classes, liquidity and functional expenses. Before the change, net assets had three classifications including unrestricted, temporarily restricted, and permanently restricted. After the change, net assets are considered to be with donor restrictions and without donor restrictions. Other new requirements include presenting a statement of functional expenses and footnotes providing information about the functional expenses and liquid financial assets of the Organization. The Organization applied the change on a retrospective basis within the summarized comparative information for the year ended December 31, 2017 and in information for the year ended December 31, 2018.

**NOTE C - Liquidity**

As of December 31, 2018, the organization had cash and cash equivalents on hand of \$6,311, which represents approximately one month of management expenses. Program expenditures are made based on assessment revenue after it is received.

**NOTE D - Concentration of Risk**

The Organization receives property tax assessment income and grants from the City of Milwaukee. The Organization's operations rely on the availability of these funds. All of the Organization's revenue was from the City of Milwaukee for the year ended December 31, 2018.

**NOTE E - Assessment Income**

In order to provide revenues to support the Organization's mission, the Common Council of the City of Milwaukee enforced an assessment on property located within the Harambee neighborhood. The assessment is \$50 per residential unit (\$100 for a duplex), with a maximum assessment of \$500 per parcel.

**NOTE F - Management Arrangement**

Under an arrangement with the Riverworks Development Corporation, the Organization is provided with office facilities, administrative support, and other overhead-related costs. The administrative fees for the year ended December 31, 2018 were \$28,000.

**HARAMBEE NEIGHBORHOOD IMPROVEMENT DISTRICT
