RE: 3121 N 27th Street
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Neighborhood Services
(Name of City Department)

Amount of the charges \$ 1751²⁴

Charge relative to: Solid Waste Violation

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

My concern is the illegal dumping on the property.
Unfortunately my husband died April of this year and
was my and the lot main caretaker. I'm on
Social Security and cannot afford the constant illegal
dumping on this property. Marie Thom suggest cameras
but there is not place to put them, nor I'm not in
health position to check on illegal dumping of property.
This bill of \$1751²⁴ is extreme for one clean-up of
illegal dumping. I would like to give lot away if possible

Conversation with Marjorie Otto
on illegal dumping on property concerns.
Charges are extreme for the illegal dumping
No where to place cameras on empty
lot to view criminals for illegal
dumping. First Notice was not sent
in time to removal items. We have
pass April 2019. In process of ownership.
