Beacon Charter High School for the Arts: (6 – 12) - <https://beaconart.org/>

Beacon Charter High School for the Arts develops artistic thinkers by nurturing self-expression while preparing graduates with academic skills necessary for sustained postsecondary success.

Academically, Beacon outperforms the state average in all areas of the NECAP assessment. In 2012-2013, Beacon had the highest writing score and one of the highest reading scores in the state. Culturally, Beacon offers a warm, supportive environment that allows students to thrive while they pursue their creative passions. Every student at Beacon chooses an area of focus

- **culinary arts**
- **performing arts or visual arts**
- **Gallery nights**
- **film festivals**
- **plays**

Special dinners and luncheons provide opportunities for students to exhibit their knowledge and hone their artistic skills in practical settings connected to the real world. Beacon graduates young student-artists who are prepared for post-secondary education, and equipped to tackle the rest of life's challenges.

**University of Chicago Charter School hiring School Nurse.....School Nurse - 2019/2020 School Year (Full-time Position)**

<https://www.linkedin.com/jobs/view/school-nurse-2019-2020-school-year-full-time-position-at-university-of-chicago-charter-school-1521608682>

The University of Chicago's unique commitment to urban education is clear in its role as operator of four public charter school campuses serving nearly 1,800 students on the South Side of Chicago. The campuses operated by the Urban Education Institute are at the core of our work and place the University among a small group of higher education institutions in the nation directly responsible for the public schooling of pre-K through 12 students.

The University of Chicago Charter School's four campuses share a common mission: To prepare 100% of students for college acceptance and graduation through a Pre-K to 12 superhighway that cultivates critical thinkers and leaders.

## **Summary**

Provides health care services to students in an elementary and secondary school setting. Plans school health program, in conjunction with medical authorities and school leaders.

Provides medical examinations and reviews findings to evaluate health status of the student and progress of the program. Instructs classes on subjects such as medication administration, first aid, common child illnesses, health and wellness, and establishes nursing policies to meet emergencies.

Collaborates with social workers, teachers, and school leaders in identifying and meeting social, emotional, and physical needs of students, using the protocols of the University of Chicago Charter School's academic and social support system protocols. Provides first-aid, and maintains health records of students. This is a part-time, benefits-eligible position.
