RE: Climate Emergency Declaration – Resources

<https://www.theclimatemobilization.org/climate-emergency-campaign>

Above website is an excellent resource for information on this subject for the U S.

Above link from the website is to a Local Government Declaration Template

Large numbers of climate emergency declarations have been passed by all levels of government in 2019.

Note that in the Midwest, Minneapolis, Ann Arbor and Kalamazoo are among the US municipalities to sign on.
