Our unique designs, quality and industry leading prices set Lux Garage Doors apart from our competitors. Our Spanish Wood Doors Collection incorporates handcrafted wood enhancing its classic appearance. This collection combines the modern look of sectional doors with a classical appearance of swinging carriage house style wood doors. Lux's wood garage doors offer prominent features including, vertical grain lumber, all sections are reinforced with a heavy duty struts Support in the back of each of section giving the section extra strength and durability to last for many years.
