Evaluation of Problem: At Infinity, our goal is to solve your problem in the most cost effective manner possible. Often times a single leak may be coming from multiple sources and while we correct part of the problem the entire source may not fixed. If NO WARRANTY is circled below, additional work is most likely necessary to rectify the leak.

PHASE ONE TOTAL: \$1000.00 Initial ML

Price above includes a 2% cash/check discount. If you pay with a credit card that 2% does not apply.

NO LEAK WARRANTY: (Circle one) 5 YEARS - 1 YEAR - NO WARRANTY

Additional work if above does not solve leak: _____

PHASE TWO TOTAL: \$ _____ Initial here _____ if you consent to
completing this phase of work should Phase one not solve the problem.
