Dear Dr. Bozdag,

This letter certifies that as the new Education Management Organization (EMO), MAESTRO Education is ready to provide short term (60 day), no interest loans to Milwaukee Math and Science Academy (MMSA) in order to address temporary cash flow deficiencies that it may experience.

We, as MAESTRO Education, will work closely with the school board and building administrators to ensure financial stability of MMSA through increased student enrollment, fund raising, grant writing, and cost saving initiatives.

Best,
