Carol Hartter called to express her dissatisfaction about:

1. She did not receive notice of the April 6th HPC meeting. If it went to the business she is not there because of the COVID-19 requirement to stay at home. I see the certified mail receipt was signed by a person I think is her employee. Today, because of vandalism at her building on Jefferson Street she went in. She has the letter for the May 4th meeting.
2. She thought that no HPC meetings were taking place because of COVID-19. Was there a follow up letter about how to attend electronically on April 6th? I did not see that.
3. She does not think her building is historic and objects to being part of the proposed historic district. She stated her building, exterior and interior, has changed too much to be historic. (I asked her in a prior phone call to send in an e-mail or letter to this effect)
4. Please send correspondence to her home address: W223S3885 Guthrie Road, Waukesha, WI 53189. Her phone number is (414) 940-1962.

I tried to explain how to participate in the meeting for May 4th. I told her to watch the meeting through the city's website, that she can call with the phone number on the notice for May 4th, and she said she didn't have cable. Do you need cable to watch the meeting from the city's channel?
