Hi Linda, As I see "Vulnerability" is on the agenda for tomorrow's Jobs and Equity Work Group, I would like to assist in bringing the Vulnerability Assessment forward into the next phase of the Task Force. I am sharing the updated Plan Survey Document. At this point I have added the findings, recommendations and short term goals of both the Emissions and Jobs and Equity Work groups to what I determine to be the appropriate Action Items of the MMSD Resilience Plan which is used as a framework for the Plan Survey.

The process below demonstrates the benefits to linking the JCCtFCEE Preliminary Report (CCPR) with the MMSD Resilience Plan.

Step 1: Linking these two (JCCtFCEE Preliminary Report & the MMSD Resilience Plan) ...

...with the other plans in the Plan Survey Matrix (Appendix A) creates a panoramic ( planoramic?) visual resource from which to...

Step 2. Develop the fourth column of the Vulnerability Assessment: Adaptive Capacity (Appendix B): See Community Action Planning by Boswell et.al. p 174; and then to...

Step 3. Develop the second column of the Adaptive Strategy Matrix: Identify Strategies (Appendix C): See Community Action Planning by Boswell et.al. p 201.

There are three primary documents attached. The first step is demonstrated in the Plan Survey but open to adjustment by work group members. Steps 2 and 3 can be done if the Work Group finds this useful. I am willing to (zoom) meet with a subcommittee of the work group if so desired.

Two other documents are photos of the Vulnerability and the Adaptation Strategy Cycle from the Community Action Planning book that was given to all members.

Peace, Barbara
