Good morning gentlemen:

The WI State Historic Preservation Office (SHPO) has discussed your recommendations regarding cedar shingles in your email dated 13 April 2020. It is our opinion if you follow those recommendations we do not believe your proposed project should pose an adverse impact to the pavilion. As such, it is the opinion that the proposed local unit of government project may proceed as planned. Should construction plans change, or cultural resources or human remains be encountered, all work should cease and this office notified so we may continue the consultation process.

A signed hard-copy of Request for SHPO Comments form will be mailed as soon as practicable. Please do not hesitate to contact me should you have any questions or concerns.

Sincerely,

Tyler
