To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place virtually on 6/15/2020 at 10:15 AM. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at http://city.milwaukee.gov/citychannel. Those wishing to provide oral testimony will be asked to do so by phone or internet and are asked to contact the staff assistant, Molly Kuether-Steele at (414) 286-2775 or molly.kuether-steele@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.

2. You must testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)

3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are willing to testify).

4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.

5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

6. You may then provide testimony.

a. Include only information relating to the above license application.

b. Include only information you have personally witnessed or seen.

c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.

d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.

7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.

8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

I hereby agree that I will comply with the applicable sections of the Wisconsin State Statutes, Administrative Code and the Milwaukee Code of Ordinances regarding the operation of weighing and measuring devices.

I understand that all devices must be operated within the specifications, tolerances and other technical requirements set forth in the National Institute of Standards and Technology Handbook 44. I understand that the license for which I am applying must be posted on the premises or in my vehicle prior to opening for business or operating the device.

I understand that these device licenses are not transferable (with the exception of scanners). If the device is replaced or needs to be resealed, I must apply for and receive a new license so that an inspection of the device can be performed prior to its use. I acknowledge that as a condition of being issued this license, I must allow the Health Department into the establishment to test the device to validate its specifications/tolerances. If my devices are found out of compliance, I may be charged inspection fees. I have read, understand, and will adhere to all the above acknowledgments.

Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at http://city.milwaukee.gov/citychannel. Those wishing to provide oral testimony will be asked to do so by phone or internet and are asked to contact the staff assistant, Molly Kuether-Steele at (414) 286-2775 or molly.kuether-steele@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. 2. You must testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)

3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are willing to testify).

4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.

5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.) 6. You may then provide testimony.

a. Include only information relating to the above license application.

7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.

8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
