TO WHOM IT MAY CONCERN

On 2/20/20 at around 3.35pm, I was driving on Roosevelt drive heading towards capitol drive

I turned slightly to join capitol drive at 35th and capitol drive.

As I waited for the light to turn green a **DPW Van (23134)** with a wagon attached to it with two men in it, also from Roosevelt drive joined capitol drive

This van did not stay in its lane, I realized the van was coming close to my car, as it joined capitol drive. I heard a noise and felt that the van's wagon scratched the right side of my car as it drove past me.

Just as I was honking to draw the driver's attention, the light turned green and the driver of the Van drove off without stopping, luckily for me the light turned red again a block or two away as we drove down capitol drive. I was then able to take a picture of the van's license plate number.

I called the DPW office on the 2/20/2020 and was told by a representative to file a police report at the district 7 police station, so I did and called DPW's office back on 2/21/2020. I was told someone would come and take pictures of the damage, the DPW personnel came and took pictures of the damage and gave me the yellow claim form to submit with some additional documentation.

Any questions, please let me know
