

WE WANT YOUR INPUT

Business Improvement District Number Eight (BID #8) seeks your input, comments, and support of plans to revitalize and improve the area generally bounded by 7th Street on the west, McKinley Avenue on the south and on the north Capitol Drive, and 2nd Street on the east, in Aldermanic District #6.

BID #8 boundary amendment plan proposes activities in 2021 that would result in improved area image and increased support for area property owners and businesses.

Join us July 20 - 22, 2020 for the BID #8 2021 Expansion Proposal Meetings. Meeting details and contact information can be found on the other side of this mailer.

Specific activities include:

- Providing assistance to private property owners and businesses seeking to improve land, space or buildings
- Supporting small business retention and attraction through marketing and promotions.
- Supporting graffiti removal to maintain a graffiti free district.
- Collaborating with BID #8 members, organizations and agencies to build a safe and welcoming district for employees, visitors and area residents.

Under BID #8's boundary amendment plan properties classified as Commercial and Manufacturing would be assessed. Property used exclusively for residential purposes or tax exempt under Wis. Stat. 70.11, would not be assessed by BID #8. Share any questions or comments with Deshea Agee, BID #8 Executive Director at deshea@kingdriveis.com or 414.265.5809.
