Should this go into the file?

Subject: Q's Re Mural Guidelines Draft

Hi, Carlen and Tim,

The draft of the Mural Guidelines for Historic Properties in the City of Milwaukee looks very complete. I asked my BID #4 Board of Directors for any questions, but they didn't respond. But I have one question:

What would be the length of time that a properly-approved mural could remain on a building facade? Or, is there not any time-length limit?

Thanks for continuing with your fine work and dedication during this very challenging time. I am very appreciative of your efforts!

Both of you ... please stay safe and well.

Nancy

PS - I'm sending you this email with my question because I could not figure out how to use the eComment system on the email file of the draft guidelines! :(:(
