INTRODUCTION

A. Background

In 2006, the State of Wisconsin signed into law, the 2005 Wisconsin ACT 186, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood lighting, distinctive signage, and pocket-parks, enhanced public green spaces and other activities as approved by the NID Board. The ACT was drafted similar to the business improvement district.

On 11/7/17 the City of Milwaukee Common Council approved the creation of Neighborhood Improvement District #9, resolution #170606 for the purpose of revitalizing and improving the Havenwoods neighborhood area on Milwaukee's far northwest side. (See Appendix C). The NID law requires that every district have an annual Operating Plan. This document is the third annual Operating Plan for the Havenwoods NID district. The NID board prepared this Plan based on the Original Operating Plan that included technical assistance from the City of Milwaukee Department of City Development.

B. Physical Setting

The boundary for the Havenwoods Southeast NID begins at N. 55th Place and goes to N. 76th St from Silver Spring Drive through Kaul Avenue with the following exclusions being public spaces and industrial uses:

- Carmen to Kaul Avenue from N. 55th St. to N. 60th St.
- Florist to Kaul Avenue from 64th St. to 73rd St.

The Havenwoods community consists of primarily affordable, post WW2 developments of ranch style homes with large yards on a traditional urban grid. The Havenwoods is home to vast green spaces and recreation destinations such as the Havenwoods State Forest, McGovern Park, Westlawn Gardens, Green Tree Community Garden and numerous pocket parks.

Havenwoods enjoys a significant level of civic engagement via block watch activities, volunteerism for special events, and resident leadership training.

The community is economically supported by over 70 industrial businesses including Direct Supply, Brady Corporation, Fed-Ex and HellermannTyton. In addition to those global corporate headquarters, there are smaller family owned manufacturing companies that have over 50 years of history in Havenwoods. Retail goods and services include a major grocery store chain, national franchises for apparel and national and local restaurants serving Havenwoods. Havenwoods businesses currently support the community through job creation and through the Business Improvement District #31.

Quality of life amenities and services in the community include initiatives brought forth by the lead community development agency Havenwoods Economic Development Corporation. Amenities include summer community concerts, home repair assistance, community gardening and community banquets. Resources in Havenwoods include but are not limited to Lighthouse Youth Center, Silver Spring Neighborhood Center, Milwaukee Achievers and Milwaukee Job Corp.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix C of this plan. A listing of the properties included in the district is provided in Appendix D.

Proposed Budget– Year Four 2021 See Appendix A

D. Financing Method

It is proposed to raise \$86,750 through NID assessments (see Appendix D). HEDC will leverage additional grant dollars to assist in implementing the NID operating plan as indicated in Appendix A (budget).

E. Organization of NID Board

^{**} The board reserves the right to re-allocate funds between initiatives in the case of unforeseen circumstances.

The board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of NID assessments.

State law requires the local legislative body must set the time and place for a meeting at which members of the board will be elected, and shall publish a class 2 notice under Ch. 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election.

It is recommended that the NID board be structured and operate as follows:

- 1. Board Size minimum 5 and maximum 11
- 2. Composition NID Board must consist of at least five members. The composition of the NID board will be divided between commercial and residential properties in the same proportion as the aggregate valuation of commercial property and the aggregate proportion of residential property.
- 3. Term –Each group shall elect from among its members a number of board members to represent its group. One group shall consist of those individuals who own or occupy commercial property, and one group shall consist of those individuals who own or occupy residential properties. All members will be elected to the Board for a one year term.
- 4. Compensation None
- 5. Meetings All meetings of the board shall be governed by the Wisconsin Open Meetings Law.
- 6. Record Keeping Files and records of the board's affairs shall be kept pursuant to public record requirements.
- 7. Staffing The board may employ staff and/or contract for staffing services pursuant to this Plan and subsequent modifications thereof.
- 8. Meetings The board shall meet regularly, at least twice each year. The board shall adopt rules of order ("by laws") to govern the conduct of its meetings.
- 9. An Annual meeting shall be held within the first two months of the calendar year, at which members will elect a Board of Directors, with one vote allocated to each member present.
- F. Relationship to the Havenwoods Economic Development Corporation (HEDC)

The NID shall be a separate entity from the Havenwoods Economic Development Corporation notwithstanding the fact that members, officers and directors of each may be shared. HEDC shall remain a private organization, not subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the NID board. HEDC may, and it is intended, shall, contract with the NID to provide services to the NID, in accordance with this Plan.

IV. METHOD OF ASSESSMENT

A. Assessment Rate and Method

Residential property owners will be assessed a flat fee based on the following property classes:

Owner Occupied Single Family Homes: \$25.00

Owner Occupied Two & Three Unit Homes: \$50.00

Investor Owned Single, Double and Triple-Unit homes: \$75.00

Mercantile Apartments (buildings with 4 or more units): \$25 per unit to a maximum of \$300.

Investor Owned Single, Double and Triple Unit homes owned by NID resident: \$50.00

Property parcels that serve as a yard to adjacent property: \$0

There will be a sunset provision of five years (that is, three years from this current operating plan). After five years from its inception, or fall of 2022, the NID will hold a vote as to whether to continue the NID.

As of January, 2021 the **assessable** property in the proposed district will have a total assessed value of approximately \$134,346,600. This does not include exempt, commercial or Special Mercantile properties.

This plan proposed to assess the property in the district at the flat fee outlined above. Appendix D shows the projected NID assessment for each property included in the district.

V. PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. Enhanced Safety and Cleanliness:

Under Wisconsin Statutes section 66.1110 (2) (d) this operating plan is required to specify how the creation of the District promotes the orderly development of the City. The will enhance the safety and cleanliness of the Havenwoods NID and consequently, encourage positive commercial and residential activity in the City. Increased activity in the City will increase property tax base and sales tax revenues.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the creation of the Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

- 1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
- 2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
- 3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
- 4. Receive annual audits as required per sec. 66.1110 (4) (c) of the NID law.

- 5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
- 6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.
- 7. The City of Milwaukee, through the Office of the City Attorney, **will not** provide legal advice to the district.

VI. PLAN APPROVAL PROCESS

A. Public Review Process

The Wisconsin Neighborhood Improvement District law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process was followed:

- 1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
- 2. The City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.
- 3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
- 4. The Community and Economic Development Committee of the Common Council will review the proposed NID Plan at a public meeting and will make a recommendation to the full Common Council.
- 5. The Common Council shall publish a class 2 notice regarding the meeting at which it will vote on whether to adopt the proposed initial operating plan. Before publication, a copy of the notice shall be sent by certified mail to all owners of real property within the proposed NID.
- 6. The Common Council will act on the proposed NID Plan.
- 7. If adopted by the Common Council, the proposed NID Plan is sent to the Mayor for his approval.
- 8. If approved by the Mayor, the NID is created and the election of NID board members occurs pursuant to Wis. Stat. § 66.1110(4) (a).
- B. Petition to Terminate the District: The City shall consider terminating the District if a petition to terminate is filed with the City Planning Commission in conformity with Wisconsin Statues Section 66.1110(6) (a).

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in the original Operating Plan.

Wisconsin Statutes section 66.1110(4)(b) of the NID law requires the Board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program and proposed activities, information on specific assessed values, budget amounts and assessment amounts are based on current conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates.

In later years, the NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability and Expansion

This NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the NID and this NID Plan shall be amended to conform to the law without need of reestablishment.

Havenwoods NID #9
Mission Statement/Vision/Priorities

NID #9 Operating Plan Objectives:

A. Plan Objectives

The objective of the NID is to improve quality of life within the established NID boundaries through increased resident engagement, fund community improvement projects, implement safety initiatives, and improve housing conditions. The NID will not own real estate.

B. Proposed Activities – Year Three 2020

- Neighborhood Safety Initiatives:
 - Develop and maintain activities of existing block watch clubs throughout the NID district.
 - b. Maintain grant programs for improved safety and security of homes and public spaces.
- 2. Community engagement activities:
 - a. Continue to build relationships with homeowners, landlords and tenants to encourage pride and ownership of the community.
 - b. Develop and support neighborhood events such as plant sales, neighborhood clean-up days, performing arts and community gatherings.
 - c. Continue to provide technical assistance to landlords within NID boundary via landlord meetings.
 - d. Work to develop and fund neighborhood beautification initiatives.

3. Youth Work Crew:

- a. Continue to hire youth from the community for neighborhood youth employment and enrichment program.
- b. Hire supervisor(s) for youth employment program.

Financial Relationships w/ other entities (CDCs, non-profits, associations)

- Havenwoods Economic Development Corporation is the fiscal agent for NID#9. In addition, part of the NID funding goes toward the staffing, technical and administrative services that HEDC provides the NID neighborhood per the original Operating Plan and accompanying budget and the NID's inception.
- Employ Milwaukee committed up to \$7,105 for our Earn and Learn Youth Crew. That was 7 students at 7 weeks, 20 hours per week, \$7.25/hr. Due to vacation and some days missed, the full final amount was somewhat less than \$7,105.
- The NID is taking part in a mural project throughout Havenwoods, contributing \$7-\$8K for one of the murals. This leverages an additional \$27K as the total project (4 neighborhood murals) will be approximately \$35K. Other contributors are Havenwoods BID31, Mary Nohl Grant, American Family Ins. Foundation, business owners (donating the use of their building walls).

- Though this project will hopefully be completed in spring 2021, NID 9 is hoping to partner with MIAD art students for the installation of artistic garbage cans in the neighborhood.
- HEDC and MMSD contributed some funds toward the NID for their partnership in the
 "Improving My Neighborhood One Tree at a Time" project that includes the planting of 500
 or so trees and the installation of 60 rain barrels. The Youth Crew built 8 rain barrel stands,
 installed 9 rain barrels, and assisted in the planting of some resident trees. The project
 funds covered the rain barrel stand materials and reimbursed the NID for the Youth Crew
 Supervisor's time on the project.
- NID #9 works with Lighthouse Youth Center on the leaf raking service project and the Holiday Lights Contest.
- Conservation Energy does free energy assessments for NID residents, providing scopes they can use for energy improvement grants.
- The Youth Crew worked a couple afternoons at The Farm on Silver Spring in exchange for donated produce boxes for residents in need.
- House of Corned Beef joined with NID 9 in the sponsorship of lunches for our first responders during the early months of the pandemic.

Narrative about the increase/decrease from the prior year. What were the causes of the increase/decrease? (New development, increased vacancies, etc.)

The total assessment within the district increased by \$3000. 2020's assessment was \$83,750 2021's assessment (prior to final assessment list) is \$86,750.00.

Reasons for assessment increase:

More properties switched from homeowner to investor owner than vice versa, with investor owners paying a higher assessment.

IN addition, this year we increased the assessment for residential properties over 4 units. Residential properties 4units and over are now \$25 per unit to a maximum of \$300. Some mercantile properties that had only paid \$100 in the past are now paying \$200-\$300.

However the assessable property value increased from \$119,042,200 in 2020 to \$134,346,600 in 2021. This is likely due to the significant increase in several property assessments this year. The property value in NID#9 does not affect actual assessment – but rather property type.

Core Programs

- 1. Neighborhood Safety Initiatives:
 - a. Develop and maintain activities of existing block watch clubs throughout the NID district. Liz Hammer, our community organizer, continues to assist the three block watch groups and one block watch email loop functioning in the NID. This includes helping with block watch meeting agendas, participating in block watch meetings, helping deal with nuisance properties, connecting residents to City resources and departments and distributing useful information. Of course, meetings decreased this year due to the Coronavirus Pandemic.
 - b. Maintain grant programs for improved safety and security of homes and public

spaces. HEDC manages the approval process and reimbursement for four current grant programs including the exterior door improvement program, exterior lighting program, Ring doorbell program and Conservation Energy program.

2. Community engagement activities:

- c. Continue to build relationships with homeowners, landlords and tenants to encourage pride and ownership of the community. The NID worked to build relationships not only through the previously mentioned block watches but also through neighborhood events and communications via the Newsletter. In light of the pandemic, the NID mailed out a separate mailing regarding resources and elected to sponsor produce boxes from The Farm for residents in need. In addition, the Res. Engagement Committee purchased large, red white and blue plastic ribbon material to cover several of the trees in the neighborhood to encourage residents with community pride and unity.
- d. Develop and support neighborhood events such as plant sales, neighborhood clean-up days, performing arts and community gatherings. NID 9 was able to hold their Annual Meeting even at the beginning of the year. However the July 4th Neighborhood Block party was canceled due to Covid. The Resident Engagement committee hopes to have some socially distanced projects in the fall and the holiday lights contest in the winter. In place of the events, the NID did elect to provide lunch to the D4 police and Engine 8 firefighters for their service as first responders in the pandemic.
- e. Continue to provide technical assistance to landlords within NID boundary via landlord meetings. Community Organizer, Liz Hammer, continues to facilitate meetings for the KANDO Landlord Compact and other technical assistance, which serves many of our NID landlords. There likely will not be the usual Landlord Breakfast this year due to the pandemic.
- f. Work to develop and fund neighborhood beautification initiatives. The NID is funding one mural of a 4 mural public art installation in the Havenwoods neighborhood. In addition, the NID hopes to install some artistic garbage cans in conjunction with MIAD to beautify the neighborhood and encourage litter clean-up. Finally, the leaf raking project and holiday lights contest provides seasonal beautification.

3. Youth Work Crew:

- g. Continue to hire youth from the community for neighborhood youth employment and enrichment program. Havenwoods NID worked with Lighthouse Youth Center to assist ten neighborhood youth in applying to the Earn and Learn program in a more virtual manner this year. Ultimately, 6 of those youth made it into the program. One additional Earn and Learn applicant joined the Havenwoods team.
- h. Hire supervisor(s) for youth employment program. Havenwoods NID hired one new supervisor this year. Amy Lentz did an excellent job with the students, especially in light of the additional challenges brought with the Coronavirus Pandemic.
