RE: Communication from Georgina Damouni  
C.I. File No. 1029-2020-930

Dear Ms. Damouni:

We have received your claim in the amount of \$2,597.42, from a loss on May 17, 2020 at 8131 West Morgan Avenue.

The Infrastructure Services Division indicates that Sewer Maintenance had no records regarding a backwater at this address on May 17, 2020. After receipt of this claim, they dispatched their field investigator to check the City's main sanitary sewer. The sewer was found to be in proper working condition. Their records indicate that the sewer is on a regular 3 year cleaning schedule and was last cleaned, prior to this incident, on May 8, 2019. Past cleaning records do not indicate any unusual problems.

The Division also indicates that from May 17 through May 19, 2020, the City received an average of 4.70 inches of rain. Due to the heavy rainfall, some of the City sewer systems were overwhelmed.

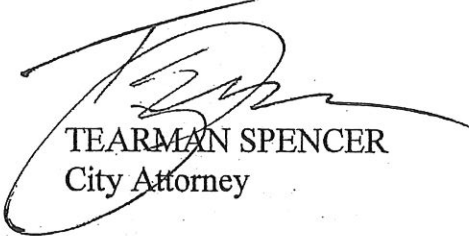

There is no evidence that the City was negligent in this matter. The City would not be liable. Therefore, we are denying your claim.
