RE: 5208-5210 W. Wisconsin Ave
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Dept of Forestry
(Name of City Department)

Amount of the charges \$ ~~100~~ \$100

Charge relative to: Bogus

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

These were sunflowers --- not sun weeds --- that were lopped off at the head in two-minute operation without notification. I did receive a notification from the Department of Forestry for my adjoining lot and alleged problems there. So the notification system seems to be a game of dice with the dots assigned by commissioner. Unjust, unfair, unMilwaukee-like. Not to mention the fact that my neighbors a block up had the same sunflowers and they were left standing. I am too ill with cancer and its radical therapies to provide "proof" However, at 72, I've brought enough spenders into Milwaukee's down that I'd ask to be taken at my word. Or I will want to know why the commissioner is taken at his word, and I am not.
