RE: 5212 - 5216 W WIS AV
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Dept of Forestry
(Name of City Department)

Amount of the charges \$ 100.

Charge relative to: Bogus

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

I had fully commenced work several days earlier on the area that was cited by the city. I was using a non-toxic, non ground well poisoning weed remover that moves slower than the carcinogenic c-r-a-p out there. I ask your understanding in my not using the harsher, cancer-causing agents that are out there. But I already have cancer and thought it perhaps better not to pile on.
