

Limits of anticipated grading. Existing lawn will be affected - will be replaced with sod.

No anticipated impacts to driveway west of sidewalk or to house

Elevations of existing back of walk match proposed elevation near southern property limits.

Parcel 16 - 531 N Hawley Rd

Existing sidewalk replaced. Less than 6" elevation difference at back of walk between existing and proposed elevations: existing drainage pattern (from property onto sidewalk & into gutter) to be maintained.

Temporary Easement for use during construction. Easement is terminated upon completion of the construction of this project.

Existing Right of Way is located at the back of walk. Contractor requires space beyond existing Right of Way for accessing construction area

Elevations of existing back of sidewalk match proposed elevations near eastern property limits.
