RE: C.I. File No. 1029-2020-708
Communication from Perminder Rehal

Dear Mr. Rehal:

We have received your claim in the amount of \$2,209.48 from a loss on January 19, 2020.

The Infrastructure Services Division records indicate that on January 20, 2020 Sewer Maintenance responded to a backwater call at 8625 West Adler Street. They found that the City sanitary sewer was clogged with heavy grease. A Sewer Jet Vac was used to open the clog and restore the sewer to proper working order. On January 29, 2020 the sewer was televised and found to be in good condition. Their records also indicate that the sewer had been on a regular 3 year cleaning schedule and it was last cleaned, prior to this incident, on September 26, 2019. Because the sewer had been on a regular cleaning schedule and the City did not have notice of problems with the sewer, the City cannot be held liable. Therefore, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a written statement requesting a hearing within 21 days of the postmarked date of this letter to the
