Thank you, Mr. Bauman. I am almost certain the unruly crowd is exiting the club called No. 720 on Milwaukee St. According to my research, they are the only business in the immediate vicinity that is open until 2am right now (only on Saturdays right now due to the pandemic), and the noise always occurs at 2am (only on Saturdays lately).

I am very sorry to hear about this disturbance. Unfortunately these types of incidents have become common in downtown over the last several months. If you are able to tie the unruly crowd to a specific business, we can

enter a complaint in the their licensing file and the matter can be addressed at license renewal time. Otherwise it is a police matter which is another problem since we are getting hundreds of demands to reduce police funding and the number of officers. I will alert MPD about this situation.

Hi Alderman Bauman,

Just a brief follow up to my prior email. Apparently Lucid Light Lounge is closed, but club No. 720 is not. The noise must be associated with No. 720.

Thank you,

Hello Alderman Bauman,

I hope you are staying safe and healthy at this time.

# REDACTED RECORD

I live in your district, . There are several other condo or apartment buildings within a block or two as well.

Without fail, there is a serious noise issue at Milwaukee and Mason every Saturday night starting between approximately 2:00 and 2:30am (when bars let out), even during this pandemic. The noise usually consists of various people (who appear intoxicated) yelling at each other, honking horns, and playing abnormally loud music from their cars. I have heard violent language and what sounds like physical fighting, as well as seen unsafe driving from the area. Based on what I have observed, I suspect that some intoxicated people are getting into their cars at that time to leave the area.

The noise generally lasts for about 30 minutes from start to finish, long enough to wake up the many residents nearby. I suspect that this issue is connected to Lucid Light Lounge, although I am not certain, as I am a newer resident of the area.

I understand that we chose to live in a high traffic area. I have lived in mid-sized to large cities for many years and never expect silence or even much quiet. However, the noise that residents near Milwaukee and Mason regularly experience on Saturday nights is far out of the ordinary. Furthermore, I feel that there may be wider public safety implications beyond just noise (e.g., fighting and intoxicated driving). I would request that you investigate this issue if at all possible and consider reasonable solutions for the residents of your district. If the lounge cannot control the noise of its exiting patrons, perhaps an officer patrolling nearby would be a deterrent.

Thank you for your time and consideration,

**Subject:** RE: Apartment 720 night club noise complaint

Yes it was. It is big problem and a continuing problem. I am also concerned about COVID 19 issues related to bars and night clubs open late into the night with little or no social distancing and mask wearing. I have and will urge the health department to consider imposing a curfew on bars and night clubs. The health department is considering complete closure of hospitality businesses that do not derive at least 50% of their revenue from food sales. As you may know, the health department has the authority to take such action notwithstanding anything that may be happening with respect to the governor's orders.

Given the very disturbing trends in Wisconsin, I suspect it is inevitable that action will be taken by the health department in the near future.

I have received many complaints from citizens about the lack of social distancing and mask wearing at bars and night clubs generally. So far none of these communications have mentioned your business in particular. But the problem is real and definitely contributes to the spread of this virus that seems to be out of control in Wisconsin.

Alderman Bauman

This is Tony Skoufis from Apartment 720 night club. I was informed of a noise complaint that occurred the morning of October 11. I am putting up signs that say please respect our neighbors for the patrons to see when exiting the business. I am also moving the Valet podium down the block to the corner of Milwaukee and Wisconsin for the patrons to retrieve their vehicles. This will clear the street faster. I will also be adding another security guy to walk people to cars and help clear the sidewalk. Thank you for your time

This report is written by Police Officer David NOVAK, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 02/23/2014 Milwaukee police responded to an injured person complaint at 720 North Milwaukee Street (720 Nightclub). Investigation revealed the injured party was walking down the stairs to exit the business when she lost her footing and fell down. Employees from the business summoned emergency services, and the injured party was conveyed to Columbia St. Mary's hospital where she was treated for several injuries.
2. On 05/03/2014 a 20 year old Milwaukee police aide, working in conjunction with Milwaukee police, attempted to gain entry to Apartment 720 (720 North Milwaukee Street) but was turned away at the door when she could not produce proof that she had attained the legal drinking age of 21.
3. On 06/01/2014 Milwaukee police officers were posted in the 700 block of North Milwaukee Street to assist with the disbursement of patrons when the business's located in that area closed. Employees from Apartment 720 (720 North Milwaukee Street) were helpful and assisted Milwaukee police officers move customers away from the entry to the business. A fight broke out at 730 N Milwaukee. During the fight one subject was observed by a sergeant, retrieving a firearm from the subject's auto. The sergeant arrested the subject.

=====

4. On 03/29/2015 Milwaukee police conducted a count of patrons inside Apartment 720 (720 North Milwaukee Street). That count revealed there were 319 patrons inside the business at one time. According to the Department of Neighborhood Services, the legal capacity at the business is 150 people. The applicant was cited.

Charge: Licensed Establishment-Exceeding Occupy Limit  
Finding: Guilty  
Sentence: \$5000.00 fine  
Date: 07/28/2015  
Case: 15024965

5. On 04/17/2015 the applicant and Milwaukee police met regarding the over capacity violation that occurred on 03/29/2015 at Apartment 720 (720 North Milwaukee Street). The applicant told police that when officers had previously discussed the business's capacity, he believed the issue was how many people could safely be in the business, not the legal capacity as determined by the Department of Neighborhood Services. Additionally, he told officers he did not expect such a large crowd on 03/29/2015, and that night (03/29/2015) would be the last night the business would be open until it had undergone remodeling. He hoped that the remodeling would allow him to substantially increase the bar's legal capacity.

=====

6. On 01/01/2016 officers observed a large mass of people waiting in line at Apartment 720, at 720 N. Milwaukee St. The crowd was blocking the sidewalk so the officers advised the applicant to organize the line so the sidewalk was usable by pedestrians. The officers then went inside and observed a female sleeping on the floor with no one attending to her. The applicant was advised and he had someone wake her up. The applicant advised he was using a promoter for this event and he stated he would not use this promoter again.
7. On 04/02/2017 officers observed a disturbance on the stairs leading to Apartment 720 at 720 N. Milwaukee St. The bounce was escorting a subject down the stairs when the subject used a racially insensitive term and the bounce punched the subject. The officer intervened and escorted the subject out. The bouncer stated the subject was asked to leave several times and when he refused he was escorted out. The subject refused medical treatment and did not want to press charges.
8. On 04/08/2017 officers conducted underage tavern enforcement in District 1. An underage Police Aid attempted to gain entry to Apartment 720 at 720 N. Milwaukee St. The police Aid was denied entry by security.
9. On 05/21/2017 at 1:00am officers observed security at Apartment 720, at 720 N. Milwaukee St, escorting a group out. The group walked down the street and was advised to leave the area. At 2:00am when the bars were releasing patrons, the group attempted to continue the altercation that started inside the bar. A group began fighting in the street causing a crowd to gather. One of the female subjects that had been kicked out of Apartment 720 was found to be 19 years old. She stated she knows one of the security staff who let her in.
10. On 06/08/2017 at 11:40pm an officer was flagged down by security at Apartment 720, 720 N. Milwaukee St. Security stated they believed they had a female using an ID that was not hers. The officers determined the ID was not the subjects and she was cited.

=====  
11. On 11/22/2018 at 1:12am officers were flagged down by a subject who stated he was battered by security from Apartment 720, 720 N. Milwaukee St. The victim stated he was in the bathroom of the club when a security guard battered him and kicked him out. The officers interviewed the security guard who could not explain why he hit the victim and kicked him out. The security guard was issued a citation for Assault and Battery. The applicant was on scene and cooperative with the officers. The applicant stated the security guard has been fired.

12. On 11/29/2018 officers conducted underage tavern enforcement in District 1 at 720 N. Milwaukee St. The tavern passed the check.

13. On 08/11/2019 at 2:00am officers were flagged down for a battery at Apartment 720, 720 N. Milwaukee St. The victim stated he was leaving the tavern and a subject, who he had seen in the VIP section, punched him to the face without warning. The victim's injury required stitches to close. On 08/15/2019 the officers attempted to locate video of the incident but the location where it occurred is not covered by the cameras.

14. On 09/14/2019 at 2:18am officers were flagged down for a theft complaint that occurred at 720 N. Milwaukee St. The victim stated she was with a group of friends and they reserved a table. They went to the dance floor and left their belongings at the table. When they returned the victim's wallet was missing. The victim was compensated for her loss by the club and the victim did not wish to prosecute.

=====  
15. On 02/16/2020 at 2:00am officers were flagged down by a subject outside of 720 N. Milwaukee St, who stated he was battered by a bouncer. The officers interviewed security who stated the subject was involved in a fight with another subject. They broke up the fight and told the subject he had to leave. He refused to leave and the bouncers had to physically remove him. He stated security did not throw any punches as he claimed.

### INITIAL INVESTIGATION

Doering, Joshua D 019832

02/21/2020

This report is written by PO Joshua DOERING assigned to District One Late Power Shift.

On Sunday, February 16, 2020 at approximately 2:00 AM while on Code Red duties on the 700 block of N. Milwaukee St., located in the City and County of Milwaukee, Squad 1420 (PO Lafayette TURMAN and I in full MPD uniform and operating a marked MPD squad) was approached regarding a trouble with subject.

I spoke with Tony NGOY (b/m, 01-04-98) who stated while in a bar at 720 N. Milwaukee St. (Apartment 720) he was battered by a bouncer.

I spoke with Robert F. SMITH (b/m, 11-25-71), Security, who stated NGOY was involved in an altercation with an unknown subject inside the location. SMITH stated security staff stopped the altercation and informed NGOY he had to leave the location. SMITH stated NGOY refused to leave and was causing a disturbance. SMITH stated security staff was forced to physically remove NGOY from the location. SMITH stated while removing NGOY from the location NGOY did fall to the floor and caused scratches to the left side of SMITH's neck. SMITH stated neither he nor any of his security staff "threw any punches" as NGOY claimed.

Follow up will be conducted to view security footage.

End of report.
