

Appendix B

Micaela Bomhack

Rite-Hite Corporation

President / CEO of Rite-Hite Engineered Solutions Group

Rite-Hite is a Milwaukee headquartered world leader in the manufacture, sale, and service of various industrial products designed to improve safety, security, productivity, energy savings, and environmental control. In her current role with Rite-Hite, Micaela is the leader of the Engineered Solutions Group business. Products include safety barriers, high volume low speed fans, fabric duct solutions and dock lights among various others. Micaela was previously responsible for Corporate Development, focused on strategic growth through partnerships and acquisitions. Rite-Hite is a family owned business and she a member of the third generation ownership group.

Prior to Rite-Hite, Micaela was an Investment Banking Analyst at Bank of America Merrill Lynch and a Private Equity Intern at Baird Capital and at Lakeview Equity.

Micaela holds an MBA from the University of Chicago Booth School of Business and a BA in Economics from the University of Chicago, where she played varsity basketball, soccer and track and was a member of the Maroon Key Society.

Within the community, Micaela is a board member with Big Brothers Big Sisters and mentors a little sister. She also founded a scholarship program on behalf of the White Family for students attending University School, now including seven kids (some of whom have graduated).

Micaela is married to Patrick Bomhack and they are expecting their first child in late December.
