Dear Alderwoman Coggs,

Your work for the constituency in the 6th District; previously held by my parents, Alderwoman Marlene Johnson Odom and Ben E. Johnson , as well as Milwaukee pioneer Alderwoman Vel R. Phillips, is imperative and vital in this salient time.

Leadership in our city and importantly your district provides an example of accomplishment, and contributes to the delivery of services, and inspiration. File # 201318 of the Public Works Committee to rename Old World 3rd Street, Dr. Martin Luther King Jr. Drive , is an example of that inspiration for your constituents and the city at large . After celebrating the King Holiday , as we approach Black History month, this timely resolution is long overdue.

The support of the entire common council on this endeavor, at this time in our history and in our community, demonstrates unity can be accomplished . I have personal pride and hope for this venture because of the origin of this effort. It will be a source of pride for the community , and the city of Milwaukee 's progress. In addition ,renaming Old World 3rd Street , from McKinley Ave. to West Wisconsin Ave , Dr Martin Luther King Jr. Drive , will bring continuity , also unity to the legacy of the city of Milwaukee.

May your public service continue to represent the legacy of my parents and yours.

Sincerely,
Jan Johnson Carlyle
