..Sections

..Analysis

Currently, all city contracts that exceed \$30,000 are awarded by the city purchasing director. This charter ordinance creates a provision requiring common council approval of city contracts and accompanying bid specifications for city contracts whose estimated cost exceed \$250,000. This charter ordinance also creates a provision requiring that when an existing contract of less than \$250,000 is amended and the original amount of the contract added to the amended amount of the contract is \$250,000 or greater, the contract amendment shall not be effective unless approved by the common council

..Body

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 16-05-2-c and d of the charter are created to read:

16-05. Purchasing.

2. CONTRACTS, BIDDING.

c. Any contract whose estimated cost exceeds \$250,000 shall be approved by the common council. Approval also requires approval of accompanying bid specifications.

d. When an existing contract of less than \$250,000 is amended and the original amount of the contract added to the amended amount of the contract is \$250,000 or greater, the contract amendment shall not be effective unless approved by the common council.

Part 2. This is a charter ordinance and shall take effect 60 days after its passage and publication, unless within 60 days a referendum petition is filed as provided in s. 66.0101(5), Wis. Stats., in which event this ordinance shall not take effect until submitted to a referendum and approved by a majority of the electors voting thereon.
