My apologies. We do have one complaint regarding masks at this Home Depot location:

7/20/2020 Home Depot 150 W Holt Anonymous Only 50% of the customers are wearing masks. When he asked management, they stated that they were not going to enforce the ordinance. Assigned-Maria I went there on 7/21/2020 with Leslie and spoke with Managers Daniel Ruiz and Andy and they are following all masks procedures since last week Thursday. They also have posters in the main entrance and an Associate with extra masks for any person that is not wearing one. Complainant might had seen a person that refused to wear a mask due to religious reason or illness.

Thanks for the clarification and exact locations. I am happy to contact each licensee to advise of the nuisance and ask them to correct it.

In addition, Jessica could you please place this complaint in the licensing file for Family Dollar, Pick and Save, and Home Depot so we can address it formally with each?

I'll ask the Alderwoman if she would recommend any additional steps to remedy this.

Thanks!

Thank you for your response. I've included photos of shopping carts belonging to the specific businesses I would like to file a complaint about. I took the photos so that you can clearly see who they belong to. The photos were taken on [redacted] There are several other businesses contributing to this problem, and as I am able to document them, I will continue to file complaints. I would like to stress that this is a persistent problem. [redacted] which is already plagued by break-ins and reckless driving.

Thanks for bringing this to our attention! I'll bring the issue to the Alderwoman for further action. The simplest way to file a complaint about a specific business is to email our office or licensing with the issue. The complaint is then placed on the business's licensing public file to be addressed at their renewal hearing. Do you have complaints about specific businesses whose carts you see most often and that we need to bring up at their license hearing?

Alderwoman Dimitrijevic

I am writing this morning to express my frustration with the nuisance of shopping carts in our neighborhood. I took these photos yesterday and counted six carts [redacted]. Despite the ordinance the city passed in 2018, this continues to be a blight on our neighborhood, and our city. I watch the Licensing Committee as lawyers from out of state make promises for changes at their stores, yet those changes are supposed to be implemented by their lowest paid employees. I hope that we as a city can begin to hold the profitters accountable. Nothing will change until their bottom line is affected.

Thanks for listening

Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at <http://city.milwaukee.gov/citychannel>. Those wishing to provide oral testimony will be asked to do so by phone or internet and are asked to contact the staff assistant, Molly Kuether-Steele at (414) 286-2775 or molly.kuether-steele@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
