RE: 1928 N 29th St
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Neighborhood Services
(Name of City Department)

Amount of the charges \$ 1,142.29

Charge relative to: Record # GBCGCO-21-00658

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

I called the neighborhood svs dept to get extension because at time of the notice we had a snow storm then budget temps. I recently purchased the property and had been making progress on removing outdoor debris. The neighborhood svs department gave me an extension I removed the debris and paid to have it cleaned after the temperatures had warmed up and then they send a bill after the inspector I met with had it all approved as being cleaned appropriately. I feel they charging for services not provided
