Fire and Police Commissioners
200 East Wells Street, Room 706
Milwaukee, WI 53202

Dear Commissioners:

We are writing today in support of appointing Acting Fire Chief Aaron Lipski as Chief of the Milwaukee Fire Department.

As the energy provider to all residents of the City of Milwaukee, we have the opportunity to work closely with the Milwaukee Fire Department on a regular basis. We have been impressed with Acting Chief Lipski's leadership and partnership on promoting natural gas and electric safety to Milwaukee firefighters and residents.

Leading the brave women and men of the Milwaukee Fire Department is an important position. We believe Acting Chief Lipski shows the qualities to do the job.
